

New Signup Information / Rules

Effective immediately when you signup for any ICD classes you will receive a conformation letter 2 weeks prior to class starting. If you fail to inform your Coordinator Jermaine Abram of your inability to attend class at least one week prior to the start date, the price of that class will be charged towards your allotment for the year. ICD instructors have a minimum class cost that must be paid, so if attendance is not going to meet the minimum it gives time for the class to be cancelled. Thanks for your compliance
